## Porsche 911 2024

**Safety Equipment:** The vehicle is equipped with **driver and passenger airbags, pedestrian safety measures, and a seat belt warning system for all occupants. Warn and Brake Assist**, including pedestrian protection, enhances safety by detecting potential hazards and applying emergency braking if necessary. **Lane Change Assist and Lane Keeping Assist** help maintain lane positioning and monitor blind spots. Additional features include **adaptive cruise control, rear parking sensors with ParkAssist, a reversing camera, and Surround View with Active Parking Support**, ensuring convenience in tight spaces. The **alarm system with interior surveillance and anti-theft wheel bolts** provides enhanced security.

**Comfort Equipment:** The **14-way fully electric sports seats with a memory package** offer personalized adjustments for ultimate comfort. **Heated front seats** ensure warmth in colder conditions, while the **two-zone automatic climate control system** maintains an optimal cabin temperature. The **GT Sport heated steering wheel wrapped in leather** adds to the sporty and luxurious feel. The **electric glass slide and tilt sunroof** allows natural light into the cabin, enhancing the sense of space. The **Privacy Glass** enhances exclusivity and reduces glare.

**Interior:** The cabin features a **multicolor full leather interior in a Slate Grey-Crayon combination**, complemented by **leather door panels and central armrests** for a premium touch. The **interior package in Diamar Dark Silver** adds an elegant contrast. The **brushed aluminum door sill guards in Darksilver with illumination** further enhance the exclusivity. Other refinements include **fabric-trimmed roof lining and A-B-C pillar trims, a multifunctional steering wheel with a mode switch, and a smartphone compartment with wireless charging up to 15W**. The **BOSE Surround Sound System** provides a high-quality listening experience, while the **Light Design Package** enhances ambient lighting.

**Exterior:** The **Jet Black Metallic exterior** gives the car a striking and sophisticated look. The **SportDesign Package painted in high-gloss black** adds to the aggressive styling. The **side window trims in black high-gloss** and **model designation on the rear trim in light silver** enhance the premium aesthetic. The **20-inch front and 21-inch rear RS Spyder wheels painted in dark silver with anthracite grey finish** contribute to the car's sporty stance. The **sports exhaust system with black tailpipes** complements the vehicle's dynamic appeal, while the

**tinted HD-Matrix LED headlights** improve visibility.

**Performance:** The 911 is powered by a **3.0-liter twin-turbocharged 6-cylinder boxer engine**, delivering an exhilarating driving experience. The **8-speed Porsche Doppelkupplung (PDK) automatic transmission** ensures lightning-fast gear shifts. **Rear-wheel drive and Porsche Active Suspension Management (PASM)** provide a balanced combination of agility and comfort. The **Sport Chrono Package**, which includes the **Porsche Track Precision App and a tire temperature display**, allows for enhanced performance monitoring.

**Technology and Multimedia:** The vehicle is equipped with **Apple CarPlay, a navigation system, and a BOSE Surround Sound System** for an immersive audio experience. The **Sport Chrono Package** provides additional driving modes, including **SPORT and WET modes** for varied driving conditions. Additional tech features include **Power Steering Plus for improved handling, a digital rev counter, and a taillight strip with illuminated PORSCHE lettering.**

**Driver Assistance Systems:** The **adaptive cruise control, Surround View with active parking support, Lane Change Assist, and Lane Keeping Assist** improve driving convenience. **The Tire Pressure Monitoring System (TPM) and a tire sealing compound with an electric air compressor** ensure safety in case of a puncture.
