# Rolls-Royce Spectre , 2023

**Rolls-Royce Spectre – 09/2023**

**Safety and Assistance Systems:**
The 2023 Rolls-Royce Spectre is equipped with essential safety features, including an advanced **anti-lock braking system (ABS)** and an **intelligent driver airbag**, offering discreet yet highly effective protection. As expected from the brand, the vehicle also incorporates cutting-edge structural integrity and driver-assist fundamentals to ensure a calm and secure driving experience.

**Performance and Handling:**
Being Rolls-Royce's first fully electric vehicle, the Spectre delivers silent, seamless power with **vehicle speed-proportional power steering** that adjusts feedback based on your pace, ensuring smoothness at any speed. The model includes a **charging cable** for flexible home or public charging, complementing its refined all-electric performance.

**Exterior:**
Finished in a classic **Grey** exterior color, the Spectre commands attention with its elegant yet powerful presence. It rides on **22-inch 7-spoke Aero alloy wheels** with a **part-polished finish**, adding a dynamic and luxurious touch. **Front electric windows** blend function with minimalist design, supporting the sleek coupe profile and signature Rolls-Royce coach doors.
