Subaru Stella , 2021

Subaru Stella – 01/2021

Exterior:
The 2021 Subaru Stella is a compact kei car designed for urban efficiency. Its dimensions are **3.395 meters** in length, **1.475 meters** in width, and **1.630 meters** in height, providing excellent maneuverability in tight city spaces. The wheelbase measures **2.455 meters**, and it has a minimum turning radius of **4.4 meters**, facilitating easy parking and navigation through narrow streets.

Performance and Efficiency:
Powered by a 658 cc inline 3-cylinder petrol engine (KF), the Stella delivers **52 horsepower (38 kW)** at 6,800 rpm and **60 Nm** of torque at 5,200 rpm. It features a Continuously Variable Transmission (CVT) and is available in both **front-wheel drive (2WD)** and **all-wheel drive (4WD)** configurations. Fuel consumption averages between **3.6 and 4.0 L/100 km**, making it highly economical for daily commuting.

Interior and Features:
The cabin accommodates four passengers and emphasizes practicality. Standard features include keyless entry, power windows, electric power steering, air conditioning, and a multimedia system with CD/DVD playback, AM/FM radio, Bluetooth connectivity, and navigation. The interior is designed to maximize space within its compact footprint.

Technology and Safety:
Subaru’s **Smart Assist** system offers safety features such as automatic emergency braking, lane departure warning, and collision avoidance support. Additional safety features include front airbags, **ABS with EBD**, stability control, and other essential active safety technologies.

Specifications:

ID: ADM-383
Final Price: 12200.00 EUR
Interior Color: Black
Number of Seats: 4
Steering Side: Right
Condition: New
