Subaru Stella , 2021

Subaru Stella – 12/2021

Exterior:
The 2021 Subaru Stella is a compact kei car designed for urban practicality and everyday efficiency. Its body dimensions are **3.395 meters** in length, **1.475 meters** in width, and **1.630 meters** in height, allowing excellent maneuverability in tight city environments. The wheelbase measures **2.455 meters**, with a minimum turning radius of **4.4 meters**, making parking and sharp turns easy and convenient.

Performance and Efficiency:
The vehicle is powered by a 658 cc inline 3-cylinder petrol engine (KF), delivering **52 horsepower (38 kW)** at 6,800 rpm and **60 Nm** of torque at 5,200 rpm. It is paired with a Continuously Variable Transmission (CVT) and features **front-wheel drive (2WD)**. Fuel consumption is rated between **3.6 and 4.0 L/100 km**, making it an extremely economical choice for daily driving.

Interior and Features:
The cabin accommodates four passengers and emphasizes space efficiency and practicality. Standard equipment includes keyless entry, power windows, electric power steering, air conditioning, and a multimedia system with CD/DVD playback, AM/FM radio, Bluetooth connectivity, and navigation. The interior layout is designed to maximize usable space within the car’s compact footprint.

Technology and Safety:
Subaru’s **Smart Assist** system provides essential safety features such as automatic emergency braking, lane departure warning, and collision avoidance assistance. Additional safety features include front airbags, **ABS with EBD**, stability control, and other core active safety systems to ensure reliable protection on the road.
