Overview
The Subaru BRZ STI Sport 09/2025 is a lightweight rear-wheel-drive coupe designed for pure driving enjoyment and precise handling. %READMORE% Equipped with the STI Sport package, Brembo brakes, and an STI performance muffler, this model enhances the already dynamic BRZ platform with sharper response and a sportier character.

Performance
Powered by a naturally aspirated 2.4-liter boxer engine producing responsive power delivery, the BRZ maintains a low center of gravity for exceptional balance. The rear-wheel-drive layout and tuned suspension provide agile cornering and direct steering feedback, making it an engaging driver’s car.

Interior and Comfort
The cabin focuses on driver ergonomics with supportive sport seats and intuitive controls. Heated seats and automatic air conditioning add comfort for daily use, while smart key access and modern connectivity ensure convenience.

Safety and Technology
Equipped with adaptive cruise control, collision mitigation braking, ABS, stability control, and multiple airbags, the BRZ balances sporty performance with everyday safety.

Exterior
The Pearl exterior finish highlights the coupe’s sculpted body lines, while aluminum wheels and LED headlights reinforce its modern and athletic appearance. The STI enhancements give it a distinctive and performance-oriented presence.
