Subaru Forester , 2023

Subaru Forester 2.0 X-Break 4WD Hybrid – 05/2023

General Overview
The **Subaru Forester 2.0 X-Break 4WD Hybrid** is a versatile SUV that combines rugged capability with hybrid efficiency. In **Crystal White Pearl**, it offers a distinctive and modern appearance while retaining the adventurous DNA of the Forester, making it suitable for both city driving and outdoor exploration.

Performance and Driving Dynamics
Equipped with a **2.0-liter petrol-hybrid engine**, the Forester delivers a **combined output of 156 horsepower** with the assistance of its electric motor. Paired with a **CVT automatic transmission** and Subaru’s renowned **Symmetrical AWD system**, it ensures reliable traction, smooth acceleration, and confident handling across diverse road conditions. Features such as **adaptive cruise control**, **Hill Descent Control**, and an **electronic parking brake** further support dynamic and safe driving.

Interior and Comfort
Inside, the cabin balances comfort and practicality, offering **heated front seats**, **Smart Key system**, and an **Alpine aftermarket navigation system** with Bluetooth functionality. The well-designed interior provides space and convenience for passengers, making every journey enjoyable and easy to manage.

Technology and Safety
The Forester is equipped with Subaru’s advanced **EyeSight driver-assist system**, including **collision mitigation braking**, **lane keep assist**, **airbags**, and **obstacle detection sensors**. Additional safety and convenience features such as **rear and side cameras** enhance visibility and driver confidence in daily use.

Exterior Design
The X-Break model stands out with its sporty exterior, featuring **adaptive LED headlights**, **fog lamps**, **roof rails**, and stylish **aluminum wheels**. Combining hybrid efficiency with a bold design, the Forester 2.0 X-Break Hybrid is an SUV ready for both urban life and outdoor adventures.
