Subaru Forester 2.0 X Edition 4WD - 04/2024

General Overview

The Subaru Forester 2.0 X Edition 4WD blends rugged SUV capability with modern hybrid efficiency and advanced safety. Finished in **Crystal Black Silica**, it offers a bold and refined look while providing outstanding practicality and performance.

Performance and Driving Dynamics

Equipped with Subaru's **2.0-liter e-BOXER petrol-hybrid system**, the Forester delivers a **combined output of 156 horsepower** and 188 Nm of torque, paired with a smooth CVT transmission and Subaru's legendary symmetrical **4WD system**. This setup ensures excellent grip, stability, and confidence across city streets, highways, and off-road conditions. The hybrid assistance provides smoother acceleration and improved efficiency, making it both eco-conscious and versatile.

Exterior Design

The Forester X Edition is fitted with **LED headlights, front fog lamps**, roof rails, and **genuine 18-inch aluminum wheels**, highlighting its balance of functionality and sporty elegance. The robust SUV stance is complemented by aerodynamic styling and practical design details, perfect for active lifestyles.

Interior and Comfort

Inside, the cabin features **genuine 8-inch navigation system, EyeSight Safety Plus**, smart key with push-button start, **power-adjustable driver's seat**, and **heated front seats** for enhanced comfort. A **backup camera, corner sensors**, and a dashcam add everyday convenience and peace of mind.

Technology and Safety

Safety is at the forefront with Subaru's EyeSight system, which includes **radar cruise control**, pre-collision braking, lane keep assist, and obstacle detection. Combined with airbags, stability control, and advanced driver aids, the Forester ensures maximum protection for driver and passengers.
