Subaru BRZ , 2022

Subaru BRZ 2.4 R 6MT – 02/2022

Exterior
This Subaru BRZ is finished in **Sapphire Blue Pearl**, a striking and dynamic color that enhances the coupe’s sporty proportions. The **2-door body** with its low stance and sleek aerodynamic lines embodies the pure spirit of a Japanese sports car. The design is complemented by stylish **17-inch alloy wheels** and aggressive LED headlamps, giving the BRZ a confident road presence.

Performance and Driving Dynamics
Equipped with a **2.4-liter flat-4 Boxer engine**, the BRZ pairs with a **6-speed manual transmission** and **rear-wheel drive**. It delivers around **232 hp** and **250 Nm of torque**, ensuring a responsive and engaging driving experience. With its **low center of gravity** and finely tuned chassis, the BRZ provides excellent balance, sharp handling, and direct feedback, making it a true driver’s car.

Interior and Comfort
The cabin is designed for a focused driving experience, featuring **sport bucket seats**, ergonomic controls, and modern finishes. Equipment includes **Bluetooth connectivity**, a **navigation system**, **climate control**, and **cruise control**. Practical features like a **rear-view camera** and multifunction steering wheel enhance everyday usability, while the compact coupe design still provides seating for four occupants.

Technology and Safety
This BRZ comes with essential safety systems such as **ABS**, **stability control**, and a full set of **airbags**. Additional features include **smart key with push start**, **LED headlights with auto function**, and driver-assist systems such as cruise control. The car also features a **drive recorder (dashcam)** for added safety. Subaru emphasizes lightweight construction and driver connection, making the BRZ a blend of modern technology and authentic sports car purity.

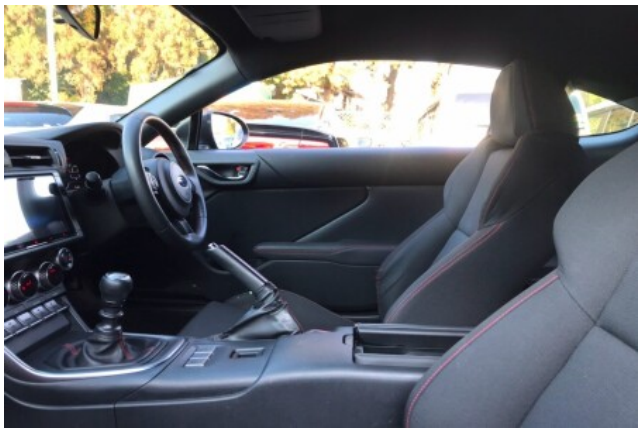

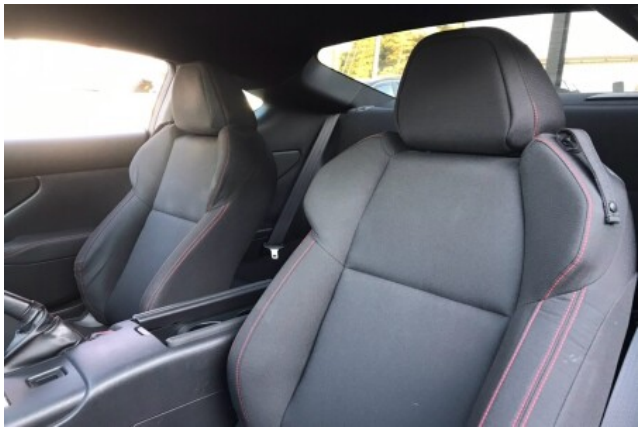

Specifications:

- ID: WWR-578
- Final Price: 24000.00 EUR
- Interior Color: Black
- Number of Seats: 4
- Steering Side: Right
