Overview

The Suzuki Jimny Sierra JC 4WD 02/2025 is a compact off-road SUV equipped with a 1500cc gasoline engine and 4WD system. %READMORE%Finished in Pearl White, this model emphasizes rugged styling, advanced safety systems, and practical off-road capability.

Driving Performance

The Jimny Sierra JC is powered by a 1500cc gasoline engine paired with a 4-speed automatic transmission. The 4WD system ensures stability and off-road performance, while electronic stability control and Hill Descent Control provide confidence across varied terrains. WLTC fuel economy is 14.3 km/L (city: 12.5, suburbs: 15.0, highway: 14.8).

Interior and Equipment

The cabin accommodates four passengers with compact dimensions but functional design. Safety support systems, adaptive cruise control, and lane keep assist enhance convenience and security.

Technologies and Assistants

Key systems include collision mitigation braking, blind spot monitoring, parking assist, and a full camera suite.

Exterior

The exterior in Pearl White is complemented by rugged over-fender styling and compact SUV proportions, making it ideal for both city driving and off-road adventures.
