

Toyota Camry , 2024

Toyota Camry G Leather Package 2024

Safety and Driver Assistance Systems: Equipped with Anti-lock Braking System (ABS), airbags, parking sensors, and power steering (PS) for enhanced safety. The vehicle also features Toyota Safety Sense, Rear Cross Traffic Alert (RCTA), Blind Spot Monitoring (BSM), and a Head-Up Display (HUD) for improved driving awareness.

Comfort and Interior: The cabin is furnished with leather seats, seat heaters, power seats, and a dual-zone automatic climate control system (AAC) for a premium driving experience. The vehicle includes a built-in ETC system and a panoramic view monitor for added convenience.

Exterior: Presented in a Pearl exterior color (089) with 18-inch alloy wheels (AW), offering an elegant and stylish appearance. The vehicle also comes with LED headlights and a sunroof for a modern touch.

Performance: Powered by a 2.5-liter gasoline hybrid engine, the Camry delivers a balance of efficiency and performance. The Front Automatic Transmission (FAT) ensures smooth gear shifts and an efficient drive.

Technology and Multimedia: Features a full-segment TV, a manufacturer-installed navigation system, and a digital instrument display. The infotainment system supports advanced functionalities for a seamless entertainment experience.
