Toyota , 2024

Toyota GR86 RC – 01/2024

Exterior:
This **Toyota GR86 RC** is finished in **Crystal White Pearl**, showcasing the modern, aggressive coupe design. With sharp aerodynamic lines, sporty bumpers, and a low stance, it embodies Toyota’s racing-inspired DNA. The lightweight 2-door coupe body ensures agility and performance, while alloy wheels enhance both style and function.

Performance and Driving Dynamics:
Equipped with a **2.4-liter 4-cylinder petrol engine** paired with a **6-speed manual transmission**, the GR86 delivers pure driving excitement. Designed for enthusiasts, it produces around **235 hp**, sending power to the rear wheels for a dynamic, balanced ride. Safety and control are enhanced with ABS, traction control, ESC, and a smart key system.

Interior and Comfort:
The cabin offers a focused driver’s environment with sport seats, manual controls for a lightweight feel, and modern essentials including power steering, power windows, and air conditioning. Designed with performance in mind, the RC trim emphasizes simplicity and weight reduction, making it the perfect driver’s car.
