Overview

This Toyota Corolla Cross 2.0 G from 2025 is an off-road SUV powered by a 2000cc gasoline engine, offered as a used car through a professional dealership. It represents a practical and modern option for buyers seeking a reliable crossover SUV.

Driving Performance

The vehicle features a 2WD drivetrain paired with a CVT automatic transmission with floor-mounted manual mode, delivering smooth, responsive handling and steady driving characteristics.

Interior and Equipment

The cabin comfortably seats up to five passengers with right-hand drive configuration and convenient amenities, making it well-suited for daily commuting and routine family travel.

Technologies and Assistants

Equipped with Toyota Safety Sense, including Adaptive Cruise Control, Lane Keep Assist, and Collision Mitigation Braking, it provides advanced safety support across urban and highway routes.

Exterior

finished in Attitude Black Mica, this 5-door SUV offers a sleek profile complemented by distinctive LED headlights.
