Overview

The **Toyota RAV4 Hybrid Z E-Four 02/2026** is a top-grade hybrid SUV combining advanced electrified performance with premium comfort and technology.

%READMORE% Finished in elegant Platinum White Pearl Mica, this model delivers refined styling with impressive efficiency and intelligent all-wheel-drive capability.

Performance & Hybrid System

Powered by a 2.5-liter hybrid powertrain paired with Toyota's E-Four electric AWD system, this RAV4 ensures excellent fuel efficiency while providing enhanced traction and stability. The smooth CVT transmission delivers seamless acceleration suitable for both city and highway driving.

Interior & Comfort

The cabin features high-quality synthetic leather seats with memory and heating functions, offering exceptional comfort for daily use. A large 12-inch display enhances connectivity and visibility, while the sunroof adds openness and premium ambiance to the interior.

Technology & Safety

Equipped with Toyota's advanced safety suite including Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Blind Spot Monitor, and a full surround-view camera system. The digital rearview mirror further improves visibility and driving confidence.

Exterior

The bold SUV design is complemented by LED headlights, fog lights, roof rails, and genuine 20-inch alloy wheels, giving the RAV4 Hybrid Z a strong and modern road

presence.
