Toyota GR86 2.4 SZ - 05/2023

Exterior:

The **2023 Toyota GR86 2.4 SZ**, finished in a sleek and sporty profile, embodies the spirit of modern performance coupes. Its aerodynamic silhouette is enhanced by **LED headlights** for superior visibility and stylish **aluminum wheels** that emphasize its athletic stance. The aggressive front design and sharp body lines highlight Toyota's racing-inspired DNA, ensuring the GR86 looks as dynamic as it drives.

Performance and Driving Dynamics:

Powered by a **2.4-liter 4-cylinder petrol engine** producing **235 hp**, paired with a 6-speed manual transmission, the GR86 delivers thrilling rear-wheel-drive dynamics. The lightweight chassis, precise steering, and balanced suspension setup make it an ideal driver's car, offering both agility and stability. Safety and control are supported by **ABS, traction control, and an anti-skid system**, while cruise control ensures comfort during longer journeys.

Interior and Comfort:

The cabin focuses on driver engagement while providing everyday usability. Equipped with **keyless entry, Smart Key system, and power windows**, it combines modern convenience with a performance-oriented layout. Entertainment features include **Car Navigation with memory, CD/DVD audio, and a multifunction display**, while air conditioning ensures cabin comfort. The design emphasizes functionality and sportiness, perfectly suited for enthusiasts.

Technology and Safety:

Safety features include **multiple airbags (driver, passenger, side, curtain)**, anti-theft devices, and advanced driver support systems. Additional highlights are a **rear-view camera, dashcam, parking assistance sensors**, and automatic high-beam headlights. Together, these systems enhance both safety and practicality, making the GR86 2.4 SZ not only a thrilling coupe but also a secure and well-equipped daily driver.
