

Toyota Land Cruiser Prado , 2021

Toyota Land Cruiser Prado TX 2.7 Petrol 4WD - 07/2021

General Overview

The **Toyota Land Cruiser Prado TX** is a robust and refined mid-size SUV that combines legendary off-road capability with everyday comfort. This 2021 model offers a commanding road presence, making it equally suited for city driving, family use, and outdoor adventures.

Performance and Driving Dynamics

Powered by a **2.7-liter petrol engine producing 163 horsepower**, paired with an automatic transmission, this Prado ensures a smooth and dependable drive. The **4WD system** enhances stability and grip, allowing the vehicle to perform confidently on highways, rough terrain, and challenging weather conditions.

Interior and Comfort

The cabin accommodates **5 passengers** and is designed for comfort and functionality. Premium features include **power seats, seat ventilation and heating, and a multifunction steering wheel**. The **factory SD navigation system**, along with a rearview monitor, provides convenience and ease of use, while the spacious interior ensures a pleasant journey for both driver and passengers.

Technology and Safety

Equipped with modern safety systems such as **ABS, multiple airbags, collision mitigation support, and LED headlights**, this Prado ensures peace of mind on every trip. The inclusion of **keyless smart entry, push-start ignition, and advanced driver assistance features** enhances both security and practicality.

Exterior Design

The Prado's iconic rugged yet stylish design is highlighted by **LED headlights and a bold SUV stance**. Its refined lines and durable build embody the balance between premium elegance and true off-road spirit, making it a reliable partner for every adventure.
