Toyota Crown , 2022

Toyota Crown Hybrid 2.5 S – 05/2022

General Overview:
The 2022 Toyota Crown Hybrid 2.5 S, finished in elegant Blue Metallic, is a refined executive sedan that blends classic luxury with modern hybrid efficiency. This facelifted model features an upgraded suite of driver assistance systems, semi-leather interior appointments, and a premium infotainment system—perfect for drivers seeking comfort, economy, and prestige.

Performance and Hybrid Efficiency:
Under the hood, the Crown is powered by a **2.5-liter petrol engine** paired with an electric motor in a self-charging hybrid system, delivering a combined output of **236 horsepower**. The setup is mated to an e-CVT (electronically controlled continuously variable transmission), ensuring smooth, quiet acceleration and outstanding fuel economy—especially in city traffic. The system seamlessly switches between electric and hybrid modes for optimized performance and efficiency.

Interior and Features:
The interior of the Crown 2.5 S is designed with elegance and functionality in mind. It includes semi-leather seating, a 12.3-inch touchscreen navigation system, and a digital multimedia suite with CD/DVD, Bluetooth, and Full Seg digital TV. The spacious cabin also features a rearview camera, dual-zone automatic climate control, a multi-function steering wheel, and power-adjustable driver’s seat. Toyota’s “Home Comfort” approach ensures a relaxed and intuitive experience for both driver and passengers.

Safety and Driver Assistance:
This model is equipped with advanced safety features, including a **360-degree panoramic camera**, **Blind Spot Monitor (BSM)**, adaptive cruise control, lane departure warning, and pre-collision system with pedestrian detection. These systems are part of Toyota Safety Sense and help reduce stress during urban driving or long-distance cruising by actively assisting the driver.

Exterior Design:
In Blue Metallic, the Crown stands out with its commanding presence. LED headlights, a bold grille, and chrome trim pieces emphasize its premium character. The aerodynamic shape and long silhouette enhance both efficiency and sophistication, making it a strong contender in the executive sedan segment with a hybrid advantage.

Specifications:

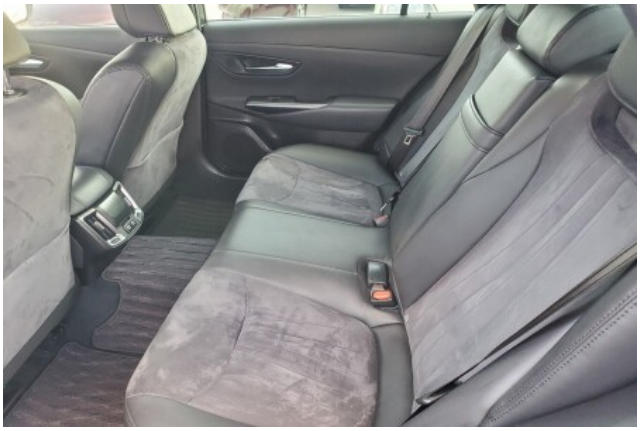

ID: JXZ-700
Final Price: 39000.00 EUR
Interior Color: Black
Number of Seats: 5
Steering Side: Right
Condition: New
