

Toyota C-HR , 2022

Toyota C-HR Hybrid TRD Package - 08/2022

General Overview

The **Toyota C-HR 1.8L Hybrid G Mode Nero Safety X2B** represents the perfect combination of bold design, efficiency, and advanced safety. This **August 2022** model, equipped with the **TRD package**, stands out with its sporty styling, premium detailing, and refined hybrid technology. Designed for drivers who value both aesthetics and practicality, the C-HR delivers a confident and comfortable urban driving experience.

Performance and Efficiency

Powered by a **1.8-liter hybrid petrol engine**, the C-HR provides a smooth, quiet, and fuel-efficient performance. The self-charging hybrid system intelligently combines petrol and electric power for optimal efficiency and responsive acceleration. Its precise steering, stable handling, and low fuel consumption make it ideal for both city commuting and long drives.

Interior and Comfort

The interior offers a refined and driver-focused design with **premium materials**, excellent ergonomics, and modern technology. High-quality comfort features, advanced **Toyota Safety Sense**, and the **TRD sport enhancements** elevate the driving experience. Every detail, from the comfortable seating to intuitive controls, reflects Toyota's commitment to quality and innovation.

Ownership and Warranty

The price includes **all taxes**, a **full vehicle inspection**, **free first service**, a **warranty for the engine and gearbox**, **registration under the first owner's name in Cyprus**, **number plates**, and **road tax**. Combining dynamic style, hybrid efficiency, and Toyota reliability, the **C-HR 1.8L Hybrid TRD Package** is a smart and stylish choice for modern drivers.
