### Overview

The Toyota RAV4 Plug-in Hybrid GR Sport E-Four 4WD is a plug-in hybrid SUV that combines sporty styling with advanced hybrid technology and all-wheel-drive capability.

This vehicle offers practicality, efficiency, and performance in a modern SUV package. The GR Sport trim enhances the vehicle with distinctive exterior and interior styling elements, giving it a more dynamic appearance.

### Driving Performance

The vehicle is powered by a 2.5-litre plug-in hybrid powertrain paired with an automatic transmission and Toyota's E-Four intelligent all-wheel-drive system. Producing approximately 302 hp, it delivers strong acceleration, excellent traction, and impressive fuel efficiency for both city and long-distance driving.

### Interior and Equipment

The cabin provides seating for 5 passengers and offers a spacious, comfortable environment with high-quality materials and modern technology. Features such as the large 12-inch display, power rear gate, digital mirror, and smart key system enhance convenience and everyday usability.

## Technologies and Assistants

The vehicle is equipped with Toyota Safety Sense technologies, including Collision Mitigation System, Adaptive Cruise Control, Lane Keep Assist, Blind Spot Monitoring, Automatic High Beam, and an All-around Camera system. These features help improve safety, driver awareness, and overall driving confidence.

## Exterior

The SUV body is finished in **Platinum White Pearl Mica** and complemented by genuine **20-inch black alloy wheels** exclusive to the GR Sport specification. Its bold design, sporty accents, and elevated driving position create a modern and athletic appearance.
