Overview

The Toyota Land Cruiser Prado TZ-G Diesel Turbo 10/2023 is a premium 7-seat SUV combining powerful diesel performance with advanced off-road technology. %READMORE% Finished in striking Red Mica Metallic and equipped with the top-grade TZ-G package, this model delivers exceptional comfort, durability, and all-terrain capability.

Performance & Capability

Powered by a robust 2.8-liter turbo diesel engine paired with a 6-speed automatic transmission and full-time 4WD system, the Prado ensures strong torque delivery and confident driving in all conditions. The electric rear differential lock, multi-terrain select, and air suspension enhance off-road performance and ride comfort.

Interior & Comfort

The spacious 7-seat cabin features genuine leather seats with heating and ventilation, power seat adjustment, and a refined interior finish. Dual-zone automatic climate control and advanced infotainment system with smartphone integration provide a comfortable and connected driving experience.

Technology & Safety

Equipped with Toyota advanced safety systems including adaptive cruise control, lane keep assist, collision mitigation braking, blind spot monitoring, rear traffic alert, and

multi-terrain monitor. LED adaptive headlights and comprehensive driver assistance features ensure high levels of safety.

Exterior

The Red Mica Metallic body combined with the Modellista aero kit, roof rails, and stylish alloy wheels gives the Prado a bold and sophisticated appearance, emphasizing its premium off-road character.
