Toyota Camry , 2023

Toyota Camry W.S. 2023

Safety and Driver Assistance Systems: Equipped with Anti-lock Braking System (ABS), Blind Spot Monitoring (BSM), Toyota Safety Sense suite, clearance sonar, LED headlights with fog lights, auto high beam assist, and a rearview camera for enhanced safety and convenience. Paddle shifters add to the driving experience, while the built-in ETC system provides seamless toll road access.

Comfort and Interior: The vehicle features a power-adjustable half-leather seat with heating, ensuring optimal comfort. Dual-zone automatic air conditioning (AAC) and a premium cabin layout create a refined driving environment.

Exterior: Presented in a Pearl exterior color (089) with GR Aero enhancements and 18-inch genuine aluminum alloy wheels, giving the vehicle a sporty and sophisticated look.

Performance: Powered by a 2.5-liter hybrid engine paired with a Front Automatic Transmission (FAT), the Camry delivers a smooth and fuel-efficient driving experience.

Technology and Multimedia: Comes with a genuine display audio system, back monitor, and advanced driver assistance features, ensuring a connected and modern driving experience.
