## Toyota bZ4X Z - 05/2023

### General Overview:

The **2023 Toyota bZ4X Z** is a premium electric SUV that combines advanced technology, stylish design, and eco-friendly performance. Finished in a sleek **Grey exterior**, this model is equipped with features like a **Smart Key**, **LED headlights**, and a **14-inch multimedia system**, offering a modern and convenient driving experience. With a focus on both sustainability and luxury, the bZ4X Z provides an impressive balance of performance and comfort.

### Performance and Efficiency:

The **Toyota bZ4X Z** is powered by a **71.4 kWh lithium-ion battery**, providing an estimated range of up to **516 km** on the WLTP cycle. The vehicle offers both **front-wheel drive (FWD)** and **all-wheel drive (AWD)** configurations, giving you the flexibility to choose the best option for your driving needs. The bZ4X Z delivers smooth and responsive driving, with quick acceleration and efficient energy usage, making it perfect for both city commutes and longer trips.

### Interior and Features:

Inside, the **Toyota bZ4X Z** features a spacious and modern cabin that comfortably accommodates up to **5 passengers**. The interior is equipped with a **14-inch multimedia system**, which integrates with **navigation**, **TV functionality**, and a **360-degree camera**, providing easy access to entertainment and enhanced visibility while driving. The cabin also boasts **black leather upholstery**, adding a touch of luxury to the interior.

### Safety and Driver Assistance:

The **2023 Toyota bZ4X Z** comes with a full suite of advanced safety features, including **adaptive cruise control**, **lane departure warning**, **collision prevention systems**, and multiple airbags. The **360-degree camera** enhances driver awareness, while the **LED headlights** provide improved visibility for a safer driving experience.

### Exterior Design:

The **bZ4X Z** features a bold and futuristic design. The **Grey exterior** gives the vehicle a dynamic look, while the **20-inch wheels**, **darkened rear glass**, and **panoramic sunroof** add to its sporty and refined appearance. The vehicle's sleek lines and **M Sport body kit** further enhance its modern aesthetic.
