Toyota Yaris Cross , 2025

Toyota Yaris Cross Hybrid X 2025

Safety: This vehicle is equipped with an Anti-lock Braking System (ABS) and airbags to enhance occupant safety during travel.

Comfort and Interior: The interior of this automobile features automatic Air Conditioning (AAC) to regulate cabin temperature, power-operated windows (PW) for ease of use, power-assisted steering (PS) to facilitate vehicle maneuverability, and an integrated Navigation system to assist with route guidance in Oroklini and the wider Larnaca area.

Exterior: The brown exterior finish presents a refined aesthetic. The compact dimensions of this vehicle are well-suited for navigating urban environments in Cyprus.

Performance: The vehicle is powered by a 1.5-liter hybrid engine in conjunction with a Continuously Variable Transmission (CVT), which delivers a smooth and efficient driving experience. This vehicle utilizes a hybrid fuel system.

Specifications:
