Overview

The Toyota Harrier G 05/2025 is a stylish and efficient hybrid SUV that combines modern technology, comfort, and refined Japanese design. %READMORE% Finished in elegant Platinum White Pearl Mica and equipped with the Modellista aero package, large 12.3-inch navigation display, and premium comfort features, this Harrier is an excellent choice for families and drivers seeking reliability and sophistication — available now at our Cyprus car dealership.

Performance and Efficiency

Powered by a 2.5-liter hybrid engine paired with a smooth CVT transmission, the Harrier delivers excellent fuel efficiency and quiet, comfortable driving. The hybrid system ensures responsive acceleration while maintaining low emissions and economical operation, ideal for both city and highway use.

Interior and Comfort

The cabin offers a refined atmosphere with black half-leather seats, electric seat adjustment, dual-zone climate control, and a digital inner mirror for improved rear visibility. The 12.3-inch navigation system, Bluetooth connectivity, full-segment TV, and Display Audio provide advanced entertainment and connectivity options.

Safety and Technology

Equipped with Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Blind Spot Monitoring, rear-view camera, Automatic High Beam, and multiple safety systems to ensure confident and secure driving in all conditions.

Exterior

The Platinum White Pearl Mica color enhances the sleek and dynamic body lines of the Harrier. The Modellista aero kit adds a sporty and premium appearance, complemented by LED headlights, aluminum wheels, fog lamps, and a power tailgate for added convenience.
