General Overview:
The 2024 Volkswagen Tiguan TSI 4Motion Active Advance with the All-round Camera package is a modern and technologically advanced compact crossover that combines elegant design, high performance, and a comfortable interior. Released in August 2024, this model is equipped with a **2.0-liter four-cylinder gasoline engine** producing **190 horsepower** and **320 Nm of torque**. The engine is paired with a **7-speed DSG transmission**, providing smooth and responsive driving. The vehicle features **4Motion all-wheel drive** and accelerates from 0 to 100 km/h in approximately **7.1 seconds**, reaching a top speed of around **229 km/h**. The average fuel consumption is approximately **7.5–8.1 liters per 100 kilometers** in a combined cycle.

Interior and Features:
The interior is crafted from high-quality materials, including **Vienna leather**, providing a luxurious atmosphere. The front seats are equipped with heating and adjustability, ensuring comfort for both the driver and passengers. The car is equipped with a **9.2-inch DiscoverPro multimedia system**, supporting **Apple CarPlay**, **Android Auto**, and **voice control**. The **digital instrument panel** offers customizable information for the driver, and the cabin is equipped with **ambient lighting** to enhance the atmosphere. Additional features include an **all-round camera**, **parking assistance**, and a **panoramic sunroof** for added convenience and enjoyment.

Safety and Driver Assistance:
Volkswagen has equipped the 2024 Tiguan TSI 4Motion Active Advance with a comprehensive suite of driver assistance systems. These include **Travel Assist**, which enables semi-autonomous driving, **Lane Assist** for lane-keeping assistance, and **Front Assist** for collision prevention with pedestrian detection. The vehicle also features **Adaptive Cruise Control (ACC)** with **Stop & Go**, **Blind Spot Monitoring**, and **Rear Traffic Alert**. These systems provide a high level of safety and convenience, particularly in heavy traffic or on long journeys.

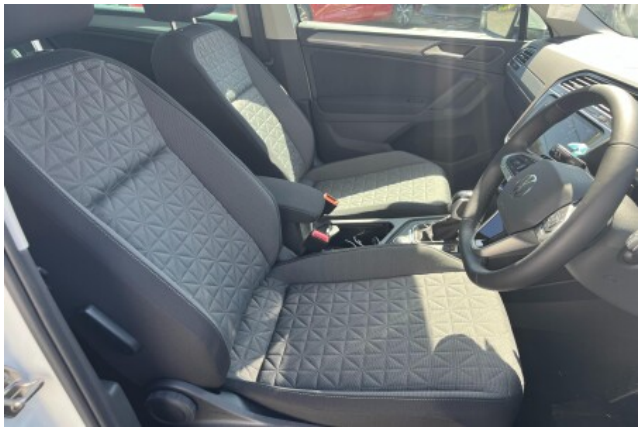

Exterior Design:
The Tiguan TSI 4Motion Active Advance 2024 features a modern and dynamic design with a bold front grille and **LED headlights**. The vehicle’s body is accented with **chrome details**, and it sits on stylish **alloy wheels**. The exterior dimensions, with a

length of **4,726 mm**, width of **1,859 mm**, and height of **1,686 mm**, create a balanced and powerful look. The high ground clearance adds both visual appeal and practicality, making it suitable for both urban and more challenging road conditions.
