Volkswagen Golf Variant 1.0 eTSI Active - 02/2022

Exterior:

The **2022 Volkswagen Golf Variant eTSI Active** combines classic hatchback practicality with a refreshed, modern design in wagon body type. The front features sharp **LED headlights** integrated with a slim grille and a sculpted bumper, while the clean side profile is highlighted by subtle chrome details and stylish 16-inch alloy wheels. The compact dimensions, aerodynamic lines, and dynamic stance make it equally suited for city streets and longer trips.

Performance and Efficiency:

The Golf eTSI Active is powered by a **1.0-liter 3-cylinder turbocharged petrol engine with mild-hybrid (MHEV) technology**, delivering around **110 horsepower (81 kW)**. The mild-hybrid system adds a 48V starter-generator that improves efficiency, smooths start/stop operation, and recovers energy during braking. Power is sent to the front wheels via a 7-speed DSG dual-clutch automatic transmission. Average fuel consumption is approximately 5.0–5.5 L/100 km, offering excellent efficiency with lively performance.

Interior and Features:

Inside, the Golf Active offers a high-quality, ergonomic cabin with seating for five. The digital cockpit includes a **10.25-inch configurable instrument cluster** and an **8.25-inch central touchscreen** with wireless **Apple CarPlay** and **Android Auto**. Comfort features include dual-zone climate control, heated front seats, keyless start, and premium fabric upholstery with contrasting stitching. The flexible rear seats and generous boot space enhance practicality.

Technology and Safety:

The Golf comes equipped with Volkswagen's **IQ.DRIVE** suite of driver-assistance systems, including adaptive cruise control, lane keep assist, front assist with automatic emergency braking, blind spot monitoring, and a rearview camera. Additional features like parking sensors, fatigue detection, and traffic sign recognition contribute to safety and ease of driving.
