Overview
The **Volkswagen T-Roc TDI R-Line Black Style 04/2024** combines sporty European design, advanced technology, and efficient diesel performance in a premium compact SUV. %READMORE% Finished in distinctive Petroleum Blue Metallic with a contrasting black roof, this certified pre-owned model delivers dynamic styling, refined comfort, and everyday practicality, making it an ideal choice for urban and long-distance driving.

Driving Performance
Powered by a responsive and fuel-efficient 2.0-liter TDI turbo diesel engine paired with a smooth 7-speed DSG transmission, the T-Roc offers strong torque and excellent fuel economy. The Dynamic Chassis Control (DCC) system allows drivers to tailor ride comfort and handling characteristics, while Travel Assist and advanced driver assistance systems ensure confident and relaxed driving in all conditions.

Interior and Comfort
The interior reflects Volkswagen’s premium craftsmanship with a driver-focused layout and high-quality materials. The Digital Cockpit and genuine navigation system provide intuitive control and clear information, while dual-zone automatic climate control, smart key entry, and a power tailgate enhance convenience. The spacious cabin comfortably accommodates five passengers with ample cargo versatility.

Technology and Safety
Equipped with advanced driver assistance technologies, the T-Roc features Adaptive Cruise Control, Lane Keep Assist, Lane Change Assist, Collision Mitigation Braking, and Parking Assist. Additional safety features include a rearview camera, multiple airbags, electronic stability control, and automatic high beam. Smartphone integration via Apple CarPlay and Android Auto ensures seamless connectivity.

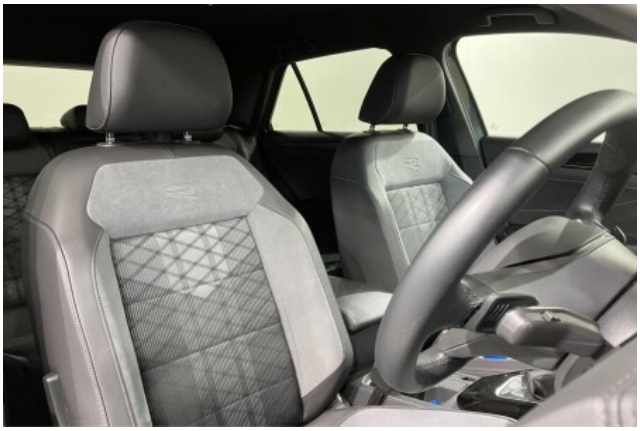

Exterior
The R-Line Black Style package emphasizes the T-Roc’s sporty character with exclusive black accents, aggressive bumpers, and striking 19-inch alloy wheels. IQ.LIGHT LED matrix headlights and the contrasting black roof enhance its dynamic appearance, while roof rails and sculpted body lines provide both functionality and visual appeal.
