Volkswagen Tiguan TSI Active DiscoverPro Package – 04/2023

General Overview:
The 2023 Volkswagen Tiguan TSI Active with the DiscoverPro package is a modern and technologically advanced compact crossover that combines elegant design, high performance, and a comfortable interior. Released in April 2023, this model is equipped with a **1.5-liter four-cylinder gasoline engine** producing **150 horsepower** and **250 Nm of torque**. The engine is paired with a **7-speed DSG transmission**, ensuring smooth and responsive driving. The vehicle features **front-wheel drive** and accelerates from 0 to 100 km/h in approximately **9.2 seconds**, reaching a top speed of around **200 km/h**. The average fuel consumption is approximately **5.8 liters per 100 kilometers** in a combined cycle.

Interior and Features:
The interior is crafted from high-quality materials, including **Vienna leather**, offering a luxurious atmosphere. The front seats are equipped with heating and adjustability, ensuring comfort for both the driver and passengers. The car is equipped with a **9.2-inch DiscoverPro multimedia system**, supporting **Apple CarPlay**, **Android Auto**, and **voice control**. The **digital instrument panel** provides the driver with customizable information, and the cabin is equipped with **ambient lighting** to enhance the atmosphere. Additional features include a **rearview camera**, **parking assistance**, and a **panoramic sunroof** for added convenience and enjoyment.

Safety and Driver Assistance:
Volkswagen has equipped the 2023 Tiguan TSI Active with a comprehensive suite of driver assistance systems. These include **Travel Assist**, which enables semi-autonomous driving, **Lane Assist** for lane-keeping assistance, and **Front Assist** for collision prevention with pedestrian detection. The vehicle also features **Adaptive Cruise Control (ACC)** with **Stop & Go**, **Blind Spot Monitoring**, and **Rear Traffic Alert**. These systems provide a high level of safety and convenience, particularly in heavy traffic or on long journeys.

Exterior Design:
The Tiguan TSI Active 2023 features a modern and dynamic design with a bold front grille and **LED headlights**. The vehicle’s body is accented with **chrome details**, and it sits on stylish **alloy wheels**. The exterior dimensions, with a length of **4,726 mm**, width of **1,859 mm**, and height of **1,686 mm**, create a balanced and powerful look. The high ground clearance adds both visual appeal and practicality, making it suitable

for both urban and more challenging road conditions.
