Overview

The **Volkswagen Golf Variant eTSI Style 01/2025** is a refined and practical station wagon that combines German engineering with advanced hybrid efficiency and modern technology. %READMORE% Finished in elegant Crystal Ice Blue Metallic, this model offers a perfect balance of comfort, safety, and everyday versatility.

Performance & Efficiency

Powered by a 1.5-liter eTSI mild-hybrid engine paired with a smooth 7-speed DSG transmission, the Golf Variant delivers responsive performance and excellent fuel efficiency. The front-wheel-drive system ensures stable and comfortable driving in both urban and highway conditions.

Interior & Comfort

The spacious cabin is designed for comfort and convenience, featuring heated front seats, a heated steering wheel, and a sophisticated 3-zone climate control system. The digital instrument cluster, head-up display, and genuine navigation system create a modern and intuitive driving environment ideal for daily commutes and long journeys.

Technology & Safety

Equipped with advanced driver assistance systems such as Travel Assist, Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, parking assist, and a rearview camera. IQ Light LED headlights and Automatic High Beam enhance visibility and safety in all driving conditions.

Exterior

The sleek and aerodynamic wagon design is complemented by IQ Light LED headlights, stylish aluminum wheels, roof rails for added practicality, and the

distinctive Crystal Ice Blue Metallic finish that highlights the vehicle's modern character.
