**Volkswagen Tiguan 1.5 TSI Elegance DSG – 09/2022**

**General Overview:**
The 2022 Volkswagen Tiguan 1.5 TSI Elegance is a stylish and technologically advanced compact crossover, offering a combination of elegant design, excellent performance, and a comfortable interior. Released in September 2022, this model is powered by a **1.5-liter turbocharged engine** and features the modern **7-speed DSG transmission** for smooth and responsive driving. It provides an ideal blend of practicality and premium features, making it perfect for everyday driving as well as longer trips.

**Performance and Efficiency:**
The Tiguan 1.5 TSI Elegance is equipped with a **1.5-liter four-cylinder turbocharged gasoline engine** that delivers **150 horsepower** and **250 Nm of torque**. The engine is mated to a **7-speed DSG transmission**, ensuring fast and smooth gear shifts. The car features **front-wheel drive**, and it accelerates from 0 to 100 km/h in approximately **9.2 seconds**, with a top speed of around **200 km/h**. Despite its strong performance, the Tiguan maintains an impressive fuel economy of approximately **5.8 liters per 100 kilometers** in a combined driving cycle, making it an efficient choice for both city and highway driving.

**Interior and Features:**
The interior of the Volkswagen Tiguan 1.5 TSI Elegance is designed with premium materials, including **Vienna leather upholstery**, and offers a luxurious feel throughout. The front seats are heated and adjustable, ensuring comfort for both the driver and passengers. The car is equipped with a **9.2-inch Discover Pro infotainment system**, featuring a touchscreen that supports **Apple CarPlay**, **Android Auto**, and **voice control**. The **digital cockpit display** provides the driver with customizable information, and the cabin is fitted with **ambient lighting** to enhance the driving experience. Additional features include a **rearview camera**, **parking assistance**, and a **panoramic sunroof** for added convenience and enjoyment.

**Safety and Driver Assistance:**
Volkswagen has equipped the Tiguan 1.5 TSI Elegance with a comprehensive suite of driver assistance systems. These include **Travel Assist**, which enables semi-autonomous driving, **Lane Assist** for lane-keeping assistance, and **Front Assist** for collision prevention with pedestrian detection. The car also features **Adaptive Cruise**

**Control (ACC)** with **Stop & Go**, **Blind Spot Monitoring**, and **Rear Traffic Alert**. The combination of these advanced safety features ensures a high level of protection and convenience, particularly in busy traffic or on long journeys.

**Exterior Design:**
The Tiguan 1.5 TSI Elegance has a modern and dynamic exterior design, highlighted by its bold front grille and **LED headlights**. The vehicle’s body is accented with **chrome details**, and it sits on stylish **alloy wheels**. The exterior dimensions, with a length of **4,726 mm**, width of **1,859 mm**, and height of **1,686 mm**, provide a well-proportioned, robust look. The high ground clearance offers both aesthetic appeal and practicality, making the Tiguan suitable for a variety of driving conditions, whether in the city or on rougher roads.
