Overview

The **Volvo S60 Recharge Ultimate T6** combines Scandinavian elegance with advanced plug-in hybrid performance and all-wheel-drive capability. %READMORE% Finished in Crystal White Premium Metallic with a refined Blonde leather interior, this Ultimate specification delivers powerful yet efficient driving along with cutting-edge Google-integrated technology and premium comfort.

Driving Performance

The 2.0L turbocharged plug-in hybrid system paired with AWD provides strong acceleration and confident traction in all conditions. Instant electric torque ensures smooth and responsive driving, while the 8-speed automatic transmission offers seamless gear changes. The balanced chassis and precise steering create a composed and dynamic driving experience.

Interior and Comfort

Inside, the S60 offers a bright and luxurious atmosphere with genuine Blonde leather seats and a panoramic sunroof. Electrically adjustable seats with heating and ventilation enhance comfort throughout the year. The Google-integrated infotainment system provides intuitive navigation and voice control, ensuring convenience on every journey.

Technology and Safety

Equipped with Volvo's advanced safety technologies, the S60 includes Adaptive Cruise

Control, Lane Keep Assist, Collision Mitigation Braking, Blind Spot Monitoring, and a 360° surround-view camera. Google Maps and Google Assistant are fully integrated for real-time navigation and voice commands, enhancing both safety and connectivity.

Exterior

The elegant sedan silhouette is highlighted by the Crystal White Premium Metallic finish and adaptive LED headlights. Clean Scandinavian design lines, a panoramic glass roof, and stylish aluminum wheels emphasize its refined yet sporty character.
