Overview

The Volvo V90 Ultimate B5 07/2023 is a premium Scandinavian station wagon powered by a refined 2000cc hybrid gasoline engine and finished in elegant Onyx Black Metallic. %READMORE% Combining minimalist design, advanced safety technologies, and exceptional comfort, this model delivers a sophisticated and versatile driving experience.

Driving Performance

Equipped with an 8-speed automatic transmission and a mild-hybrid powertrain, the V90 offers smooth acceleration, excellent fuel efficiency, and refined handling. Its balanced chassis ensures comfort and stability on long-distance journeys and everyday driving.

Interior and Equipment

The spacious five-seat cabin features genuine leather upholstery, electric seat adjustment, seat heating, and seat air conditioning for superior comfort. Smart Key access, display audio with Apple CarPlay and Android Auto, and premium materials reflect Volvo's signature Scandinavian craftsmanship.

Technologies and Assistants

Advanced safety technologies include Adaptive Cruise Control, Lane Keep Assist, Collision Damage Mitigation Brakes, Blind Spot Monitoring with Rear Traffic Alert, Automatic High Beam, and a Full Perimeter Camera system. These systems provide enhanced visibility, safety, and driver confidence in all driving conditions.

Exterior

Finished in Onyx Black Metallic, the Volvo V90 features an elegant and elongated station wagon silhouette. Adaptive LED headlights, stylish aluminum wheels, front fog lights, roof rails, and a panoramic glass roof emphasize its premium and practical design.
